I have not received any notice that any witnesses may have a Covid related reason not to go forward next week. If you would like to file something jointly, we are good to move forward as planned.

Cody,
Yes, we are preparing for the February 14th trial date. I assume you are also planning for the February 14th trial date. Let me know if you're planning otherwise. We must agree no later than February 7th and submit a joint filing. [REDACTED]

Sarah-

Per the last ED AR Order we are to confer about going forward with trial. Based on your email yesterday I assume you are preparing to move forward with the set date?
